

## **English Module G - summer 2017**

### **הצעת פתרון**

#### **Is It Time To Reconsider Our Ideas About Waste Disposal?**

1. (ii) Recycling may be problematic
2. expensive and polluting // not worthwhile
3. reusing materials instead of throwing them away
4. (iii) They are built differently than in the past
5. (iv) What impact environmental campaigns have had
6. (iii) Because less garbage is being produced
7. (i) Landfills pollute surrounding land // landfills are wasteful use of land  
(ii) Any material that can be recycled should be recycled
